Villanelle from an Evangelist (poet's title)

Go ahead and rejoice,
Look at the dying season,
Come expecting a miracle.

Winds swallow your voice,
Air alters your reason,
Go ahead and rejoice!

Chickadees gone lyrical,
Canada geese cruising.
Come expecting a miracle.

Mushrooms spring where moist
Mulch offsets dissolution—
Go ahead and rejoice.

Don't ignore the spherical
Spin and tilt of the season,
Come expecting a miracle,

Swing into autumn, your choice
Embraces the empirical.
Go ahead and rejoice—
Come expecting a miracle!
