

## **The USAF Fugue**

Off we go, into the wild fugue yonder,  
Climbing high, but not too far,  
We're zooming high into the fugue.

Here they come, zooming to meet our thunder,  
(Zooming to meet us in the wild and zooming fugue)  
At 'em boys, give 'er the gun.

La la la la  
Zooma zooma zooma zooma etc.

Down we dive, spouting our theme from under,  
Off with one hell of a roar.  
Nothing will stop the US Air Force Fugue,  
Off with one helluva roar!
